Thursday, May 13, 2021

The Las Animas Municipal Light & Power would like to inform all of our customers that we are scheduled to have a planned outage at 7:30am on Tuesday, May 18th to switch from the Black Hills Energy feed to the Tri-State feed. With the safety of the personnel doing the switching procedures being our main focus, the duration of this outage is anticipated for 30 minutes. We apologize for any inconveniences that this outage may cause.
